**IMPORTANT NOTES**

**I. Household Application for Student Financial Assistance Schemes**

- “Household Application Form for Student Financial Assistance Schemes” is a family-based application form which facilitates families with child(ren) attending primary and secondary school(s) or kindergarten(s) / child care centre(s) to apply for student financial assistance.
- For families which have successfully applied for financial assistance in 2023/24 (on or before 1 March 2024) for (i) primary and secondary students or (ii) students at pre-primary, primary and secondary levels or (iii) pre-primary students and the child(ren) will be attending Primary 1 (P1) in the 2024/25 school year, the Student Finance Office (SFO) of the Working Family and Student Financial Assistance Agency (WFSFAA) will, according to the applicants’ respective options, issue paper-based pre-filled “Household Application Form for Student Financial Assistance Schemes” (paper-based “pre-filled form”) for 2024/25 or an Access Code for getting the pre-filled “Electronic Household Application Form for Student Financial Assistance Schemes” (electronic “pre-filled form”) for 2024/25 online and other relevant information to them by batches starting from around mid March 2024 in order to facilitate their application for student financial assistance (one application form for each family, but NOT including those only with Secondary 6 students who have graduated in 2023/24).
- If families were granted financial assistance for pre-primary students only (not including students who will be attending P1 in the 2024/25 school year) in 2023/24 (on or before 1 May 2024), the applicants will, according to the applicants’ respective options, be provided with the paper-based pre-filled forms or Access Codes for getting the electronic pre-filled forms online and other relevant information in May 2024 in order to facilitate their application for student financial assistance.
- Please note that if families wish to apply for student financial assistance in 2024/25, please verify the data in the pre-filled form, complete other parts of the form and return the completed application form together with relevant supporting documents to the SFO direct by post or through online submission. Please note that applicants are NOT required to submit the form to the attending schools of their children for processing. Please read every paragraph of this Guidance Notes carefully before completing the application form.
- Applicants only have to submit one paper-based pre-filled form or electronic pre-filled form. Do not submit more than one application form (unless advised by the SFO). Multiple applications from the same applicant will be voided and lead to delay in processing the application. If applicants wish to amend any information in their application submitted or to provide supplementary information, they should notify the SFO in writing. The notification should be duly signed by the applicants and submitted together with relevant supporting documents.

**II. Applicable to Applicants of Financial Assistance for Primary and Secondary Students**

- Applicants should return the completed pre-filled form together with all necessary supporting documents to the SFO direct by post or through online submission as soon as possible and preferably on or before 31 May 2024 as application processing takes time. If applicants submitting applications on or before 31 May 2024 have provided all necessary information with supporting documents, met the eligibility criteria and passed the means test, the SFO will release the provisional School Textbook Assistance to eligible student-applicants and Subsidy for Internet Access Charges to eligible families by autopay in July / August 2024. The SFO will also issue notification of result to applicants from August 2024. As and when the textbook grant rates for the 2024/25 school year are available, the SFO will release the remaining subsidy amount to the applicants or recover the overpayment from the applicants accordingly (in around end October / November 2024).
- If applicants have NOT received School Textbook Assistance in 2023/24 (e.g. those with child(ren) attending private schools, Diploma of Applied Education / Diploma Yi Jin (known as Yi Jin Diploma before 2016) programmes, Vocational Training Council, etc.) or applicants have child(ren) who will be promoted to Primary 1 in 2024/25, the SFO will issue the student-based Eligibility Certificates (ECs) to eligible families from around August 2024 onwards. Applicants should return the completed ECs to the schools in which the children are attending within one week after the commencement date of the schools or within two weeks from the issue date of the ECs (whichever is the later) for processing. After receiving the ECs verified by schools, the SFO will release subsidies to eligible applicants from around end October / November 2024 onwards.

**III. Applicable to Applicants of Financial Assistance for Pre-primary Students**

- If families only apply for financial assistance for pre-primary students in the 2024/25 school year, the applicants should return the completed pre-filled form together with all necessary supporting documents to the SFO direct by post or through online submission as soon as possible and preferably on or before 30 June 2024. If applicants submitting applications by 30 June 2024 have provided all necessary information with supporting documents, met the eligibility criteria and passed the means test, the SFO will issue the notification of result as well as the student-based School Certificates (SCs) to applicants from around August 2024. If student-applicants belong to the following categories: who are going to transfer to another school, whose class and session are different from the pre-filled ones or who are applying for financial assistance for pre-primary students for the first time in the 2024/25 school year, families must submit the SC to the attending school for 2024/25 by 31 August 2024 or within two weeks from the issue date of SCs (whichever is the later) for processing. The SFO will arrange disbursement of fee remission through the schools concerned and disburse the Grant for School-related Expenses for Kindergarten Students (Grant-KG) through autopay by batches starting from end September 2024.

### 2. Financial Assistance Schemes

#### 2.1

Financial Assistance Scheme	Details of the scheme
Kindergarten and Child Care Centre Fee Remission (KCFR) Scheme	provides needy families with financial assistance in the form of fee remission for their children attending Nursery, Lower and Upper classes in local non-profit-making kindergartens under the kindergarten education scheme and / or receiving whole-day child care services in child care centres.
Grant for School-related Expenses for Kindergarten Students (Grant-KG)	provides an additional grant to needy kindergarten students who can pass the means test and meet the same eligibility criteria under KCFR Scheme to defray school-related expenses incurred from the students' kindergarten education under the kindergarten education scheme.
School Textbook Assistance (TA) Scheme	provides assistance to needy Primary 1 to Secondary 6 students in government, aided, per caput grant schools and local schools under the Direct Subsidy Scheme for covering the costs of essential textbooks and miscellaneous school-related expenses.
Student Travel Subsidy (STS) Scheme	provides travel subsidy to needy students attending primary or secondary school or a full-time day course up to first degree level in a recognised institution; residing more than 10 minutes' walking distance away from their schools; and who need to travel to school by public transport.
Subsidy Scheme for Internet Access Charges (SIA)	provides subsidy to needy families whose children are full-time students receiving education at primary or secondary level, or full-time students pursuing Diploma of Applied Education (DAE) programmes or equivalent courses of the Vocational Training Council (VTC) to meet the Internet access charges for e-learning at home for their children (for example, the charges on broadband Internet service or SIM cards provided by operators of fixed or mobile telecommunications services). <u>The subsidy is granted on a household basis.</u> Eligible families will receive a flat-rate cash grant, regardless of the number of children in the family.
Diploma of Applied Education Fee Reimbursement (DAEFR) / Diploma Yi Jin Fee	provides “FULL” or “HALF” tuition fee reimbursement to eligible students who are full-time or part-time students pursuing DAE / Diploma Yi Jin (DYJ). These students may apply for DAEFR / DYJFR for each satisfactorily completed subject, provided that they attained an overall pass in the subject and achieved 80% attendance or above for the subject as confirmed by the institutions. Students who are not assessed as eligible for “FULL” or

Reimbursement (DYJFR)	"HALF" level of assistance will receive reimbursement of 30% of the tuition fee paid for each satisfactorily completed subject, provided that they attained an overall pass in the subject and achieved 80% attendance or above for the subject as confirmed by the institutions.
Fee Reimbursement (Financial Assistance Scheme for Designated Evening Adult Education Courses) [FR(FAEAECC)]	provides "FULL" or "HALF" tuition fee reimbursement to eligible students who have enrolled on designated evening adult education courses. Students must be aged 17 or above and attending evening secondary courses that are quality-assured and commissioned by the Education Bureau in designated centres. Students who have obtained tuition fee reimbursement under the DAE / DYJ, previously known as the Yi Jin Diploma ("YJD") or Project Yi Jin ("PYJ") before 2012/13 programme will not be eligible for tuition fee reimbursement under this scheme unless they have refunded the HKSAR Government all the reimbursement obtained under the DAE / DYJ / YJD or PYJ programme. In addition, students cannot receive financial assistance for repeating the same level of study under FAEAECC, unless they switch from other curriculums to the New Senior Secondary curriculum. Students who meet the criteria mentioned above, having passed the means test and attained the specified attendance or other relevant requirements will be eligible for "FULL" or "HALF" tuition fee reimbursement. Students who are not assessed as eligible for "FULL" or "HALF" level of assistance but fulfil the prescribed criteria after the end of each school term will receive reimbursement of 30% of the tuition fee paid.

2.2 **Other Financial Assistance** – Families of student-applicants passing the means test, apart from eligible for applying for subsidies listed in the table at paragraph 2.1 above in accordance with the conditions of individual schemes, are also eligible to apply for the Examination Fee Remission (EFR) Scheme to the Hong Kong Examinations and Assessment Authority (HKEAA) through the attending schools. The EFR Scheme is to provide assistance to needy students attending public examinations administered by the HKEAA. Please refer to the Circular on Applications for Examination Fee Remission issued by the HKEAA for details of application and eligibility criteria.

### 3. The Means Test and Levels of Assistance

3.1 The SFO will use the "Adjusted Family Income" (AFI) mechanism as the means test to assess the eligibility of a family for student financial assistance and its assistance level.

3.2 The AFI mechanism is based on the following formula:

$$\text{AFI} = \frac{\text{Gross annual income of the family}}{\text{Number of family members} + (1)}$$

- (i) Gross annual income of the family includes the annual income of applicant and his / her spouse; 30% of the annual income of unmarried child / children residing with the family if applicable; and the contribution from relatives / friends if applicable.
  - (ii) The members of a family normally refer to the applicant, his / her spouse, unmarried child / children residing with the family and the dependent parent(s) who are supported by the applicant and / or his / her spouse (Please refer to Paragraph 2.3 of "Notes on How to Complete and Return Household Application Form" (SFO 107B(2)) (referred below as "Notes on How to Complete the Form") for definition of "Dependent Parent").
  - (iii) For single-parent families of 2 to 3 members, the "plus 1 factor" in the divisor of AFI formula will be increased to 2.
- 3.3 The AFI eligibility benchmarks for various levels of assistance in the 2024/25 school year are being reviewed and will be announced on the website of the WFSFAA ([www.wfsfaa.gov.hk](http://www.wfsfaa.gov.hk)) later this year. For reference, the AFI eligibility benchmarks for various levels of assistance in the 2023/24 school year are listed in the tables below. Please note that the AFI is not the average monthly income of a family.

3.3.1 Applicable to Financial Assistance Schemes for Primary and Secondary Students

2023/24 school year - AFI Groups (HK\$) <b>(for reference only)</b>	Level of Assistance
0 –43,495	Full*
43,496 –84,105	Half
> 84,105	Ineligible (applications not successful)

3.3.2 Applicable to Financial Assistance Schemes for Pre-primary Students

2023/24 school year - AFI Groups (HK\$) <b>(for reference only)</b>	Level of Assistance
0 –43,495	Full (100%)*
43,496 –53,280	3/4 (75%)
53,281 –84,105	Half (50%)
> 84,105	Ineligible (applications not successful)

\* AFI thresholds for full level of assistance for 3-member and 4-member families are \$52,657 and \$48,445 respectively in the 2023/24 school year. For 2-member single-parent families and 3-member single-parent families, they are regarded as 3-member families and 4-member families respectively for determining the AFI thresholds for full level of assistance and calculation of AFI.

3.4 Computation method of fee remission for KCFR Scheme:

(i) Nursery, Lower and Upper classes in Kindergarten (K1 to K3) joining the kindergarten education scheme:

$$\begin{array}{l} \text{Half-day class} \\ \text{monthly fee} \\ \text{remission} \end{array} = \frac{\begin{array}{l} \text{[Annual net fee* or fee remission ceiling (whichever is the less)} \\ \text{x level of assistance} \end{array}}{\text{No. of operating months of the kindergarten}}$$

$$\begin{array}{l} \text{Whole-day class} \\ \text{monthly fee} \\ \text{remission} \end{array} = \frac{\begin{array}{l} \text{[Annual net fee* or fee remission ceiling} \\ \text{(whichever is the less)} \\ \text{x level of assistance} \end{array}}{\text{No. of operating months of the kindergarten}} + \frac{\begin{array}{l} \text{[Actual monthly meal charge or} \\ \text{maximum meal allowance} \\ \text{(whichever is the less)} \\ \text{x level of assistance]} \end{array}}{\text{Meal Allowance}}$$

/ (Tuition Fee Subsidy)

\* refer to the annual school fee after deducting all the government subsidies under the kindergarten education scheme

(ii) Child Care Centre (group aged 0-2) / Child Care Centre (group aged 2-3):

$$\begin{array}{l} \text{Monthly fee} \\ \text{remission} \end{array} = \frac{\begin{array}{l} \text{Monthly fee inclusive of meal charge or fee remission ceiling} \\ \text{(whichever is the less) x level of assistance} \end{array}}$$

(iii) Fee Remission Ceilings:

The fee remission ceilings for various levels of KCFR Scheme and the maximum meal allowance (for whole-day kindergarten classes) will be available soon after the commencement of the 2024/25 school year on the WFSFAA's website ([www.wfsfaa.gov.hk](http://www.wfsfaa.gov.hk)).

3.5 "Social needs" test (for application with children aged between 0 and 3 attending whole-day child care centre or kindergarten-cum-child care centre)

Applicants with children receiving whole-day child care services (i.e. groups aged 0 to 2 and 2 to 3) must pass the AFI means test and the "social needs" test within the same assessment period in order to qualify themselves for the fee remission. Therefore, applicants should complete the "Social Needs" Assessment Form for Kindergarten and Child Care Centre Fee Remission (SFO 235A) in addition to the application form and submit the completed forms and the supporting documents. Those receiving half-day child care services are not eligible to apply for KCFR Scheme.

3.6 In case any student-applicant who has applied for / is receiving fee remission later transfers to another school during the school year, the applicant should obtain Form C (Application Renewal Form for student-applicant who has changed school / resumed class within the 2024/25 school year) from the kindergarten / child care centre newly attended and return the completed form to the SFO through the new school soonest possible. The effective month of fee remission will be the month in which Form C is received by the kindergarten / child care centre, or the month in which the student-applicant is admitted to the school, whichever is the later. If the student-applicant has received fee remission for a particular month from the previous kindergarten / child care centre, he / she will not be granted fee remission for the same month from the new kindergarten / child care centre.

3.7 KCFR Scheme aims to provide financial assistance to students only for the period that they are studying in kindergartens / children receiving whole-day child care services in child care centres. Hence, to qualify for the month's fee remission, the student-applicant must have paid the tuition fee and has attended the kindergarten / child care centre in that month. If a student-applicant has been absent from kindergarten / child care centre for an entire month, under normal circumstances, the SFO will cease payment for his / her fee remission for the month(s) of non-attendance.

#### 4. Application Procedure and Timetable

If there are substantial changes in the applicant's family particulars (e.g. family composition, financial position, etc.) after the assessment period (from 1 April 2023 to 31 March 2024), the applicant may inform us in writing together with relevant supporting documents. The SFO will consider each case on its individual merits.
